Yoga Etiquette: Practice yoga on an empty stomach. Turn off phones when entering Center, and leave in hall cubbys. Enter yoga room with a clean, non-scented body, no perfumes, scented lotions, or aftershaves. Take off jewelry and watches. No shoes in our sacred yoga spaces. Please wash your feet with the baby wipes provided before entering yoga room. Put all props away neatly. Thank you!

Why We Suggest and Love Reservations: You may make reservations up to 30-minutes before class online, or call up to 15-minutes before class to see if space is available.

We are a small yoga studio with 2 small yoga rooms. Reservations help our teachers know who is attending so that they may prepare the room properly, and begin to customize classes for individual needs. All reservations require check-in 10-minutes before start time to guarantee your space. Walk-ins are welcome when space is available.

Reservation Policy & Cancellation Fee: Reservations need to be prepaid. They may be cancelled by phone or email up to 1-hour before class start time without fees. No-shows and un-cancelled reservations will be charged for 1 class. Students on unlimited packages will be charged \$12 for your uncanceled reservation.

Parking: Allow ample time to find parking and arrive early to your class and set up. Extra parking is available on the street, on Jackson Dr., and across Jackson Dr. in at the old Smog Center. Please do not park in spots marked for our neighbors businesses unless they are closed for the day.
